On April 23, 2015 at approximately 2:30 p.m., Border Patrol Agent Jason Hosick observed a grey 2008 Chevrolet pickup truck parked at 888 La Cuchilla Street, La Grulla, Texas. This address is a notorious staging area for alien smuggling.

As Agent Hosick drove by the mentioned residence, he observed a male subject in a grey shirt jump into the bed of the truck and hide. Agent Hosick drove past and away from the house he observed the pickup truck leave the residence and drive behind him. Agent Hosick pulled over to the side of the road and waited for the truck to pass.

CONTINUATION:

As it passed, Agent Hosick observed two females occupying a single seat in the front part of the truck, uncommon of normal occupancy in a vehicle. Agent Hosick observed four subjects in the back part of the cab hunched over trying to conceal themselves. Hosick also observed the bed of the pickup truck but could not see the male subject, with the grey shirt, that had boarded the truck. Agent Hosick requested assistance with a traffic stop. Responding Border Patrol Agents encountered the vehicle and based on Agent Hosick's observations, conducted an immigration stop using their emergency equipment. Agents approached the vehicle and observed two subjects attempting to hide in the bed of the truck. They also observed several subjects attempting to hide inside the cab of the truck. The driver was identified as Jesus PENA. The driver stated that he was a Lawfully Admitted Permanent Resident. The other subjects were interviewed and admitted that they were illegally present in the United States.

PENA and all eight of the undocumented aliens were placed under arrest and transported to the Rio Grande City Border Patrol Station for processing.

PRINCIPAL'S STATEMENT:

Jesus Pena was read his Miranda rights and stated he was willing to provide a statement without the presence of an attorney.

PENA stated he was transporting illegal aliens and knew it was illegal to do so. PENA stated he was going to get paid \$200.00 USD per alien for transporting them from a stash house in La Grulla, Texas to an abandoned house also located in La Grulla, Texas. PENA stated he was hired by a friend to transport the illegal aliens.

MATERIAL WITNESS STATEMENTS:

The material witnesses were read their rights and agreed to answer questions without the presence of an attorney.

1. GARCIA De-Jeorge, Georgina Alberto stated that she crossed into the United States on April 22, 2015 at about 6:00 A.M. She crossed the river along with eight other illegal aliens. GARCIA stated she was to pay a total of \$7,800.00 USD to be smuggled into the United States. After crossing the Rio Grande River she was guided through the brush by a foot guide from Mexico until arriving at a property and instructed to hide in an abandoned shed. GARCIA stated that after spending one night at the shed one of the subjects in the group was contacted by a smuggler and advised that a vehicle was waiting for them. GARCIA and the others loaded into a light color pickup truck driven by a male subject. GARCIA stated that once inside the vehicle the male subject instructed the group to put on their seatbelts. GARCIA described the driver as a male with medium dark colored skin, goatee and wearing a black shirt.
